

## Welcome to *Portable Machining Today*!

We appreciate your continued enjoyment and feedback about our online communications newsletter, *Portable Machining Today*. If you have suggestions about this or future editions, please send them to our [Editor](#).

## Climax Premiers New Website

The Climax website has a new look, lots of added features, and is easier to navigate to help you find exactly what you need. The site contains product information organized by tool type, tool applications, and solutions to your maintenance and repair challenges. You can Meet our [management team](#), see our [Client List](#), take a look at our [upcoming events](#), and see our press releases in our [Press Room](#). Click [here](#) to visit our new website.

**Equipment Rental is now more convenient than ever before – our Charlotte Center is now open!** Most Climax Portable Machine Tools are available for short-term rental. We have placed a comprehensive selection of our tools in convenient locations throughout the world to minimize both your freight costs and the time required to ship the tool to your work-site. Climax has added a new rental depot in Charlotte, North Carolina, USA. Charlotte's rental personnel are ready to begin helping Climax customers immediately, having just completed an extensive training program at Climax World Headquarters in Newberg, Oregon. Climax now has ten worldwide rental depot locations to serve your short-term machine rental needs. You are never far away from a Climax portable machine tool. Click [here](#) to download additional information about our rental programs and locate the Climax rental depot nearest to you.
