Introducing Our New VP of engineering:

We would like to introduce our new Vice President of Engineering, Lawrence Rentz. Mr. Rentz has over 14 years' experience in the industrial, nuclear power, and power generation industries. His extensive expertise, energy, and leadership skills will allow us to serve our customers as the world's leading provider of portable machining solutions. To view Mr. Rentz' complete profile, please [click here](#).

Come See Us at the Show! We will be exhibiting at the Elko Mining Expo, June 9-10 in Elko Nevada, and also at the Utilities Service Alliance Nuclear Generator & Supplier Summit in Lake Tahoe, CA. Please see our [events page](#) for more details. We hope to see you there!

Portable Machine Tool Trade-In Program

Take advantage of our new trade-in program and upgrade to the latest technology to improve your productivity and get maximum value from your used Climax tools. If you own one or more portable tools in good condition that you no longer need or want to trade-in, whether of Climax or other manufacture, contact our [Used Equipment Department](#).

New Climax Valve Lapping and Grinding machines are designed for the valve repair professional that needs lightweight, high quality and long life. The machines are available for lapping and grinding Gate Valves, Globe Valves, High Pressure Valves, Safety Valves, and valves with conical or flat seats. The Climax patented planet wheel design ensures superior flatness and finish. Comes complete with everything you need to begin repairing valve immediately. For complete information, [click here](#).

Limited Time Offer – Make a New or Certified Pre-Owned Climax Portable Machine Tool purchase over \$10,000 and receive one day of training free of charge (valued at \$800). [Call us](#) today for more information.
